Remote Meeting

On March 17, 2020, the Governor issued Executive Order N-29-20 suspending certain provisions of the Ralph M. Brown Act in order to allow for local legislative bodies to conduct their meetings telephonically or by other electronic means. Pursuant to the Shelter-in-Place Order issued by the San Mateo County Health Officer on March 16, 2020, which was expanded and extended on March 31, 2020, the statewide Shelter-in-Place Order issued by the Governor in Executive Order N-33-20 on March 19, 2020, and the CDC's social distancing guidelines which discourage large public gatherings, the regular meeting location will not be open to the public for the May 6, 2020 meeting of the Bayside Design Review Committee (BDRC). Instead, members of the public may participate via Zoom at the time of the meeting and/or provide written comments by email to Erica Adams at the email address provided below prior to the meeting. Emailed comments should include the specific agenda item on which you are commenting or note that your comment concerns an item that is not on the agenda. The length of the emailed comment should be commensurate with the five minutes customarily allowed for verbal comments, which is approximately 250-300 words. To ensure your comment is received and read to the BDRC for the appropriate agenda item, please submit your email no less than 30 minutes prior to the meeting time. The County will make every effort to read emails received after that time but cannot guarantee such emails will read into the record. Any emails received less than 30 minutes prior to the meeting time which are not read into the record will be provided to the BDRC after the meeting.

Bayside Design Review Committee meetings are accessible to people with disabilities. Individuals who need special assistance or a disability-related modification or accommodation (including auxiliary aids or services) to participate in this meeting; or who have a disability and wish to request an alternative format for the agenda, meeting notice, agenda packet or other writings that may be distributed at the meeting, should contact the Design Review Officer at least five (5) working days before the meeting at the contact information provided below. Notification in advance of the meeting will enable the Design Review Officer to make reasonable arrangements to ensure accessibility to this meeting and the materials related to it.

MATERIALS PRESENTED FOR THE HEARING:

Applicants and members of the public are encouraged to submit materials to staff in advance of a hearing. All materials (including but not limited to models, pictures, videos, etc.) presented by any person speaking on any item on the agenda are considered part of the administrative record for that item, and must be retained by the Design Review Officer until such time as all administrative appeals are exhausted and the time for legal challenge to a decision on the item has passed. If you wish to retain the original of an item, a legible copy must be forwarded to the Design Review Officer. A computer-generated copy of a photograph must be submitted.

DECISIONS AND APPEALS PROCESS:

The Bayside Design Review Committee will make a decision when design review is the only application being considered, or make a recommendation to a different decision maker when additional planning applications are associated with the project (e.g., use permit, grading permit, etc.). Decision rulings for a project are appealable to the Planning Commission. Appeals must be filed no later than ten (10) business days following the decision at the San Mateo County Planning Counter (address listed above). Appeal application forms are available online. If the Planning Counter is still closed during the appeal period due to the COVID-19 emergency, please complete the applicable forms and forward them to the Design Review Officer. They will coordinate with you regarding the payment of the appeal fee at that time. The appeal fee is \$616.35 which covers additional public noticing.
